* **Volunteerism and Mission Engagement:** Hope strives to provide every sector of our community with opportunities for service in our community. Approximately 100 volunteers each week serve at Hope's main location. We also facilitate national work and mission teams for local projects, and engage volunteers from all ages and sectors at partner nonprofits and churches. Volunteer programs include:

+ **Retired and Senior Volunteer Program (RSVP):**

Our (5 county) RSVP program, based on the national model by the same name, provides meaningful opportunities for retired and senior adults to volunteer and at the same time provides help to the agencies and healthcare institutions that need it. While based on the national model, our RSVP also coordinates the following projects:

~ **Dial-A-Care:** Volunteers make daily calls to homebound, frail, elderly or disabled individuals, checking on their well-being and safety and providing needed socialization.

~ **Sew-lutions:** Volunteers use donated goods to sew and craft needed items for a wide variety of people in our region and abroad.

~ **Ramps to Freedom:** Volunteers donate their knowledge, skill and labor to build ramps for those with mobility issues who cannot afford to hire contractors to build the needed ramps.

~ **Henry the Hand:** presentations to elementary school children in a creative way to teach school children how to prevent illness by proper and frequent hand-washing.
